Dear Team Fly Star,

We extend our appreciation to M/s Fly Star for your good performance in completing the Turnaround (TA) of the KMU plant. As per the Purchase Order No. 4601008466 dated 21.05.24, you were contractually obligated to complete the TA within 11 engineering days. However, you successfully achieved this task in 8.5 days which is 2.5 days ahead of schedule.

This early completion has benefited BPCL, minimizing downtime and enhancing our operational efficiency. We would also like to acknowledge your dedication in completing not only the lump sum job but also all identified TA tag jobs and TA inspection notifications related to piping within the stipulated period. Your team's promptness in mobilizing resources whenever required was truly commendable.

We appreciate your hard work and dedication and look forward to continuing this fruitful partnership.

Thanking you,

Yours faithfully,

For BHARAT PETROLEUM CORPN.LTD.
